

As Employees of the City of Foley Public Works Department we would like to have the minutes of the January 5, 2016 City of Foley Council Meeting corrected in reference to the Employee Policies & Compensation.

We all attended the Council Meeting and participated in discussion on this topic. There were actually 2 motions and votes on this topic, not the 1 as listed in the minutes.

The first motion and vote was to reinstate the City of Foley Wage Implementation that has been in place since 1999 putting the pay step schedule back in place at the current rates. This motion passed 5-0.

The second motion and vote was to keep open for discussion the possibility of Cost of Living Adjustments to the present step schedule or other Employee Policy items once the City of Foley has completed Union Negotiations with other Departments. This motion also passed 5-0.
