

To the Foley Fire Department.

I here by Dec 9th 2015, Would like to submit by letter of retirement from the Foley Fire Department. Over the past 10+ years of being a member of the department I want to express my heartfelt gratitude for all the members of the dept. and the great people of the city of Foley for welcoming me and making me truly feel like I belonged here. I took great pride in the services that you provide and believe that I may never be able to replace the brotherhood I developed with all of you and for that I know that I'm going to miss all that this has become, but the next chapter in my life has to begin and hopefully I will not lose touch. I know there is a lot of praise that I can give and I could make this a long letter but we all know.

Sincerely Al Foss
