2. Exception to Prohibition. The following may be permitted for outdoor storage after review and approval by the City as provided for in this Subdivision:
 - A. Currently licensed vehicles used by the business for transport or manufactured or serviced by the business (not including junked vehicles);
 - B. Heavy machinery mounted on wheels; and
 - C. Movable finished products mounted on wheels.
3. Review and Approval Required for Exception to Apply. The above exempt outdoor storage will only be permitted if approved by the City Council after review and recommendation by the Planning Commission. In any case, the area used for such storage must be screened from view from outside the premises by a fence of a minimum height of six (6) feet, with the maximum height to be determined by the City. Under no circumstances will open or outside storage be allowed within the setback areas.

Subdivision 7: SITE PLAN - CERTIFICATE OF SURVEY

Prior to the issuance of a building permit for any building within an I-2 District a site plan for the property must be approved by the City Council after review and recommendation by the Planning Commission. The site plan must contain at a minimum the following:

1. The current and proposed use of the property;
2. All structures and their dimensions and location;
3. Location of waste facilities including measures used for enclosure and screening (See Section 5 Subd. 3);

4. Location of the water supply and utilities;
5. Elevations and drainage facilities (including storm sewers and ponds);
6. Streets and ingress and egress;
7. Parking (including typical size and locations of handicap spaces) and loading areas (See Section 7);
8. Landscaping (including features and types of materials to be used) (See Section 5 Subd. 3);
9. Screening and fences (including types and heights of fencing) (See Section 6);
10. Lighting locations and types of fixtures (See Section 5 Subd. 6)
11. Location and size of signs (See Section 8);
12. Distances to surrounding buildings and surrounding land uses;
13. Certificate of Survey; and
14. Any other information deemed necessary by the Zoning Administrator or Planning Commission.

As part of the site plan review and approval the Planning Commission may recommend and the City Council may, on the recommendation of the Planning Commission or on its own, require that changes be made to a site plan. Such changes may include, without limitation, limiting the size and number of street accesses, requiring fencing or screening, requiring changes to the landscape plan, requiring alterations of the location and types of lighting and signage, altering parking lot design and layout, altering building layout, and other alterations and adjustments to ensure a design which is in

conformance with this Ordinance and is in the best interest of the City.

Subdivision 7: PERFORMANCE BOND.

To ensure site plan improvements, including without limitation landscaping and waste enclosures, are completed in accordance with the approved site plan, a performance bond or other approved security in the amount deemed sufficient by the City Council will be required to be deposited with the City before the issuance of a building permit for the project.

Sections 18 "I-2" Planned Industrial Park District, Subd. 7 Site Plan - Certificate of Survey was amended by Ordinance Number 399 adopted August 9, 2011 and published May 22, 2012.
