5 Powerful Reasons to Join SunShare

- 1. Save up to \$500 on your Xcel Energy bill.** As a community solar subscriber, you'll receive solar credits from Xcel Energy that lower your monthly bill.
- 2. Choose solar without a rooftop system.** Instead of putting panels on your roof, you subscribe to a garden of solar panels we build in a nearby community.
- 3. Protect yourself from rate hikes.** This January, Xcel Energy increased its rates by 5.5%. SunShare offers you protection against these expensive rate hikes! We stabilize your subscription rate, so you'll have peace of mind knowing you are no longer susceptible to utility company rate hikes.
- 4. SunShare Community Solar moves along with you.** If you move within the area, you can transfer your agreement to your new address. Or you can sell your subscription with your home. The choice is yours.
- 5. You'll make a meaningful difference ... for generations.** With SunShare, you'll lead the way in your community by embracing innovative renewable energy solutions.

Choose a cleaner, better source of energy.

It's the simple approach to solar.

No panels on your roof. SunShare delivers renewable energy directly to the Xcel Energy™ grid.

The idea is simple: We build large solar projects that include thousands of panels – SunShare community solar gardens. Our gardens make it easy for everyone to enjoy the benefits of clean, locally produced solar electricity – without the hassle and high cost of installing and maintaining solar equipment on your roof.

As an Xcel Energy customer, you subscribe to SunShare Community Solar and receive solar credits that could save you as much as \$500 on your electricity bill.

The power to choose is here and now!

Our promise:

Make solar as simple as sunshine ... for everyone.

We're the largest and most experienced community solar company in Minnesota.

We're dedicated to a cleaner, brighter planet – using the power of the sun to power our lives.

We're committed to community. By building community solar gardens, we make it possible and affordable for anyone to enjoy the benefits of renewable, homegrown energy.

Now there's a simple way to get all the benefits of solar energy in Anytown without the hassle and high cost.

Hello Sample,

SunShare is making it easier and more affordable for Xcel Energy™ customers in Minnesota to enjoy clean, renewable energy. Here's how:

- Instead of putting panels on your roof, we build large community solar projects that include thousands of panels.
- You subscribe to a portion of the energy produced in the SunShare community solar garden, along with other homeowners who share your commitment to renewable energy.
- You receive credits on your monthly utility bill and pay nothing upfront!

You could save as much as \$500 on your Xcel Energy bill!

Your SunShare subscription rate is stabilized, so you'll have peace of mind knowing you're no longer susceptible to Xcel Energy's rate hikes, like the 5.5% increase this January.

Plus, you'll get a \$25 Amazon.com Gift Card Code when you subscribe!

It's our way of saying thank you for making a meaningful difference in the environment and demonstrating your commitment to preserving our planet.

Please call us today at 844-584-3786 to save your spot.
